

Car Parking for Willesborough Baptist Church

The car park at Willesborough Baptist Church has a normal capacity of 30 cars, but with double parking down the centre can accommodate 40 plus cars*.

Follow the Car Park Stewards

Once the front is full cars should proceed to the rear car park area, park on the left or right hand side pointing towards the walls, once these are full, form two lines along the centre.

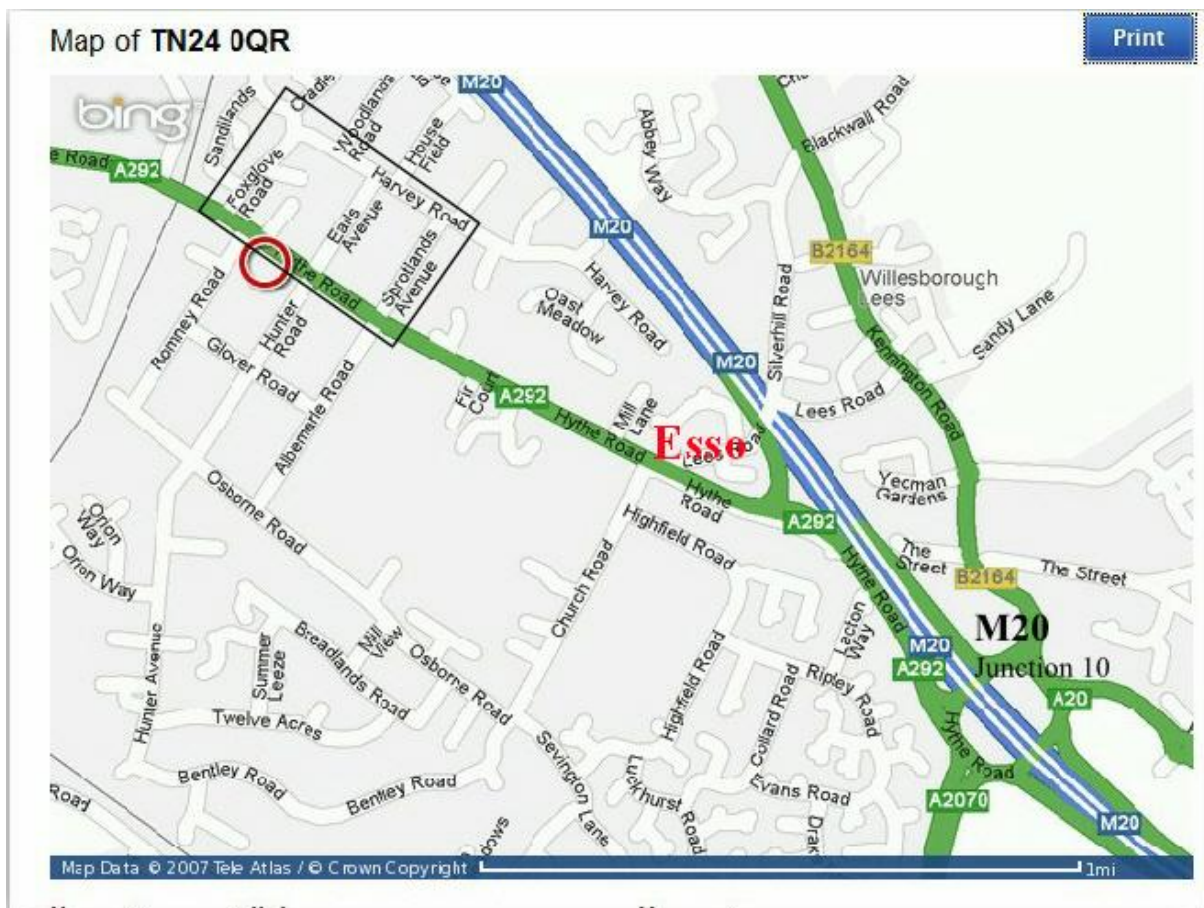

Local Parking

There is ample parking near the church in the streets, **marked on the map by the black box** within 2 - 3 minutes walking distance. (Note Earls Avenue is one way and is accessed from the opposite end to Hythe Road).

Overflow parking

Overflow parking will be directed to these streets.

*If you need to get away promptly we would advise using the on-street parking as the church car park, at capacity, can take up to 15 minutes to empty.
